our honorary community member, Richard Jack Strong (who now resides in Klukwan) We enjoyed our favorite spot among the trees outside the Oakland Zoo and were fortunate enough to have weather that turned out "just right".

We are looking for suggestions for where you would like to see our picnic next August! We love to host in areas where there is plenty of shade, plenty of parking...and freedom to have food/dance/etc. Reach out and let us know! Perhaps we can bring it into YOUR neck of the woods!

Bi-Annual Culture Gathering - SF Tlingit and Haida

The bi-annual cultural gathering date has not yet been set. To enable us to plan and spread out our year of events we are looking at moving our Culture Gathering to the month of March (mid to late March). If you have ideas for where you would like to see it be held or are willing to contribute by sharing your artistic talent, your dance skills, or other Tlingit and Haida culturally based talents please reach out to volunteer. Our hopes as a board is to create an inclusive and educational event which will also showcase members of our local community while providing the much-desired cultural learning
